

Terms and Conditions

Your acceptance of these Terms and Conditions is confirmed by you using the safeagent Professional Development (safeagent PD) site and resources. **If you do not accept the Terms and Conditions or any part of them you should stop using this online resource immediately.**

safeagent PD reserves the rights to make changes to these Terms and Conditions at any time that will take effect from the date of posting on this site. Your continued use of this Moodle site will constitute your acceptance of any changes to these Terms and Conditions.

safeagent PD may from time to time display additional Terms and Conditions on the Moodle site, for example in connection with a particular activity or services. If the Terms and Conditions for use of this Moodle site should conflict in any way with any additional terms, then the new terms prevail.

You agree to use these resources only for lawful purposes, and in a manner which does not infringe the rights, or restrict, or inhibit the use and enjoyment of the site by any third party.

These Terms and Conditions shall be governed and construed in accordance with the laws of the United Kingdom.

Cookies policy

What are cookies?

Cookies are small text files containing a string of characters that can be placed on your computer or mobile device that uniquely identify your browser or device.

What are cookies used for?

Cookies allow a site or services to know if your computer or device has visited that site or service before. Cookies can then be used to help understand how the site or service is being used, help you navigate between pages efficiently, help remember your preferences, and generally improve your browsing experience. Cookies can also help ensure marketing you see online is more relevant to you and your interests; **NOTE:** safeagent PD does not use any cookies for marketing purposes on this VLE site.

What types of cookies does safeagent PD use?

Essential cookies. Necessary for the operation of the site. We may use essential cookies to authenticate users, prevent fraudulent use of user accounts, or offer site features.

Analytical/performance cookies. Allow us to recognise and count the number of visitors and see how visitors move around the site when using it. This helps us improve the way the site works.

Functionality cookies. Used to recognise you when you return to the site. This enables us to personalise our content for you, greet you by name, and remember your preferences (for example, your choice of language or region).

How long will cookies stay on my device?

The length of time a cookie will stay on your computer or mobile device depends on whether it is a “persistent” or “session” cookie. Session cookies will only stay on your device until you stop browsing. Persistent cookies stay on your computer or mobile device until they expire or are deleted.

What are your choices regarding cookies?

If you'd like to delete cookies or instruct your web browser to delete or refuse cookies, please visit the help pages of your web browser. Please note, however, that if you delete cookies or refuse to accept them, you might not be able to use some or all of the features we offer. You may not be able to log in, store your preferences, and some of our pages might not display properly.

How to control and delete cookies

If you want to delete cookies follow the instructions at <http://www.aboutcookies.org.uk/managing-cookies>. For information on how to control cookies, see the instructions at <http://www.aboutcookies.org.uk/cookies>. Note that if you set your browser to disable cookies, you may not be able to access certain parts of our site and other parts of our site may not work properly. You can find out more information cookie settings at third-party information sites, such as www.allaboutcookies.org.

About the information on this Moodle site

All safeagent PD resources and the information, names, images, pictures, etc. are provided "as is" without any representation or endorsement made and without warranty of any kind whether express or implied. In no event will safeagent PD be liable for any damages including, without limitation, indirect or consequential damages, or any damages whatsoever arising from the use of this site or in connection with such use, or loss of use of the site, whether in contract or in negligence.

safeagent PD does not warrant that the material contained in these resources will be uninterrupted or error free, that defects will be corrected, or that this site or the server that makes it available are free of viruses or bugs or represents the full functionality, accuracy and reliability of the materials.

For the purposes of these Terms and Conditions the expression "website information" means the images, graphics, text, applets and scripts operating, operating in, or which form part of, this Moodle site.

All intellectual property rights in the website information are owned by safeagent PD.

Copyright restrictions

Documents may be copied for **personal use only** on the condition that copyright and source indications are also copied, no modifications are made, and the document is copied entirely. However, safeagent PD may publish on this Moodle site images or text in which the copyright is not owned by safeagent PD or which is not owned completely by safeagent PD. Where this is done, and where practicable, the copyright owner is acknowledged. All

rights are reserved on these documents and permission to copy them must be requested from the copyright owners (the sources are indicated within these documents/images where possible).

Commercial use or publication of all or any item displayed is strictly prohibited without prior permission from safeagent PD. Nothing contained herein shall be construed as conferring any license by safeagent PD to use any item displayed.

About the accuracy of the website information

The website information is provided "as is" and safeagent PD makes no representation, endorsement or warranty as to its accuracy. safeagent PD will not be liable for any action taken (or not taken) in reliance upon the website information and such action is taken entirely at your own risk. safeagent PD reserves the right to make any changes to the website information without notice and without liability to you.

External websites that are hyperlinked to in safeagent PD are not under our control and safeagent PD take no responsibility for them and shall not be liable in any way for their content.

The operation of this Moodle site depends on the input of information by tutors/developers, some of which may be third party. The service provided by safeagent PD depends on, and varies according to, the accuracy of such inputted information. safeagent PD can therefore accept no responsibility for, nor any liability in respect of, the input of inaccurate information to this website by tutors/developers and/or any third parties.

Any communication or material that you transmit to, or post on, any public area of the site including any data, questions, comments, suggestions, or the like, is, and will be treated as, non-confidential and non-proprietary information.

safeagent PD is a 'closed learning community', which is not open to the general public. However, any communication or material that you transmit to, or post in, a closed course including any data, questions, comments, suggestions, or the like, can be seen by safeagent PD representatives and other course members.

There are some areas of the Moodle site, such as Moodle email and Course activities that are private between learners and the course tutors and cannot be seen by other learners unless specified.

If you find any inaccurate information on this Moodle site, or have any complaint about what has been published on this Moodle site, please send an e-mail to cpd@safeagents.co.uk. Emails will be investigated on receipt and appropriate action taken.

This set of resources, like any other, is susceptible to cyber-squatting and vandalism. safeagent PD does not accept any responsibility for, or liability in respect of, any information that appears on this Moodle site as a result of such actions.

About the Internet, service interruption, viruses etc.

As with all other web publishers, safeagent PD has no control over the Internet that is a

global public network of computers and the method by which you access this Moodle site. safeagent PD takes no responsibility for service interruption or the transmission of viruses or other malicious computer code through this Moodle site. Although all files are scanned for the presence of viruses before being uploaded to this website, safeagent PD does not guarantee that they are free from viruses.
